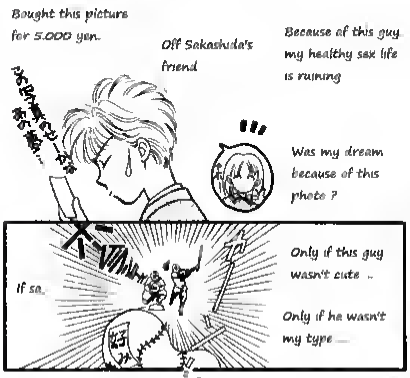
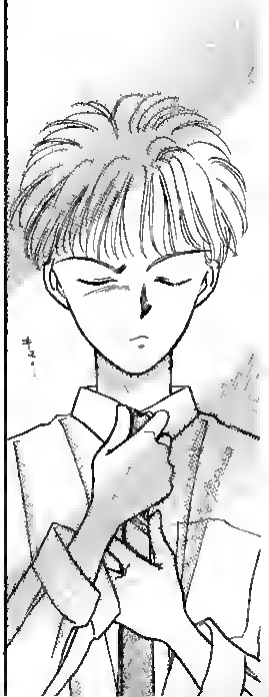
愛と友情の旅立ち

Who has made me such a loser is ...



Bought this picture for 5.000 yen.
Off Sakashida's friend
Because of this guy my healthy sex life is ruining
Was my dream because of this photo ?
Only if this guy wasn't cute ..
Only if he wasn't my type ...
If so



I wish you luck. Good bye
How luckly to be loved by you
One sided love ?
Well... there is someone who bugs me, yes.
I see... I understand. You have someone in your mind, don't you
Wish me luck ? No way.
Addresses are filling up my pocket book.
Konako, Kumi, Sanae, Nanami, Maiko
Akiha, Suzuna, Eriko, Minae, Shiori -
There are plenty of pretty girls

PPO1 take a rest

■1■

Uwhaoa, that's fast, real fast. My 8th comic book is PPO1 again. Ahah. fast.

My life as a middle schooler is about to end and I want to end it with girls !
I will score victory !
And I will get my freedom back !
He keeps bothering me because I lost to him in the last game !
Yes, it's all because of him !
What are you mumbling about in front of our school gate ?
Sorry that I cannot be counted on.
What ?
Come on out, either Sanri or Taro !
A gome, I need
I can't count on Hanashimada.

And whose team has lost to such a cowardly team ?
Your team is running around because they are afraid of me.
Because you sucked, I had to come here to apply for a game.
What you know, I know also.
And that is why I am here to ask for another game ! Do I have to bring up your embarrassing childhood stories ?!
I am not here to make a fool of myself or anyone.
I know you. I know you want to take on the challenge. Now, bring these two to me.
Shall I show you how loud my voice can get ?

So, you are desperate
I guess the defeat you had was more shameful than I figured.
バスってお前
It is you who want to do this the most
Alright, just stay there ! Don't move even one step ! I will help you out !
What are you doing here ?
え—っ
Ah ? Tokaoka ?
ムカムカムカ

Honashumada told you right ?
What ? I didn't meet him
What a bad timing Where is the kid ?
Taira ? He went back to pick up his bag He will be here shortly What's up ?
I've come to settle the debt.
Ahaha, thank you so much for the lost time.
Don't laugh at me.
A game that will settle the debt
You've come here to say that ?
Yes, I've been waiting for 30 minutes
30 minutes ? Don't you have shame ?
Nothing is more shameful than losing to you guys
I bet there are more than that
Eh ?

What are they doing ? Are they trying to make fun of me by taking turns ?
What was the debt ?
I cannot decide this alone I will go bring Toira.
Wait I am sure you can make this happen...
Uh ? Takaoka ?
You want to be summoned by the police ?!
Ah
They are playing with me
Yes...
Not listening
Toira... listen and listen good
What are you doing here ?
Have you seen Banri ?

They should have simply waited here ...
Ah
What ? What a fool ! I told him that I'd catch up
He went back to find you ...
No ! I told Honashimada that ...
Toira wait !
He went back, too ?
Uh... yeah.
Banri ?
カラリ！
So, this is his desk. Nothing new, but somehow feels refreshing...
150
You are that short ?!
They can see you there ?
Tokeoka. I get taller
How much ?
Before that ?
I stopped counting from 154
So, this is his... class's room...
Not here, as expected.
Where is your desk ?
3rd one in the 2nd row from window

Like this
This guy
wears this
sort of outfit
on holidays
Or that
And he'd
to show up
in front of him
even
Or this
Anyway
only Fine didn't
appear in a girly
outfit. I would have
never mistaken
him for a girl, and
I would not be
going through this
while one
ugly event
happened
Ah?
Something is written on here.
Let's check
elsewhere!
Come on!
I am leaving
without
you!
Uh...
ok
Ahah,
sorry
I tend to slow down
to a girl's pace when
I am with you
Takaoka,
aren't you
walking a little
slow?
Ah?
Wait up
Fool!
I am leaving
you here!

Where did he go ?
Takaoka, are you there ?

There you are, Taira !
ガチャン
Ahhh, no ! Don't let it close !
Ah !
バン
ガチャン!
Eh?
Open ! Somebody !
I think it is locked from outside.

No response.
Banri.
Hanashimada.
He went home ?
What a fool.
Let's just go home.
Why did you run ?
Because you kept chasing me.
I have something to talk about.
Ah, yeah
What is it ?
A game. That's all
If you still refuse ...
Okay.
I have other ways to ...
What ?

Well, it is locked from outside, so we won't be able to open it
It's too dark to see ...
I guess we have to wait for a bypasser
That was ... too easy
Why did I even come here then
But if you really don't like to ...
If you want to play a game that much fine, let's do it.
Unless someone needs something in here, why would anyone open it ?
I guess they will open it tomorrow.
It's a storage, right ? It's huge.
Eh ?
Here.
In a situation like this, he is calm ...
Eh ...
Look around. Only cement is here.
How do you know ?
But, yes, once sun comes up again ...
It is a little over 6... No one will be around here.

Damn it's way too big for me...
Ah...
Take it My shirts are long sleeved.
To a guy...
Okay, thanks
ゴボゴボ
ゴボゴボゴボ
Still it's warm.
CUTE !!!
What are you getting excited for, Torao ?!

I am going to make a place to sleep on.
guy with girls like.
Tarao, get me some cement bags.
キウイ
their
まって
First of all, their hair is wavy and
His waist is narrow?
Kkyaaa

What did you tickle me for ?!
You need more training. I don't get tickled at all.
Banri does ?
Eh... nice.
But there is someone who's worse than me..
Banri freaks out even only when his back is touched.
Amazing !
See.
By the way, I am hungry.
Yeah ...

Ah
Of course, not. We go to schools to study.
Nothing too useful in here ...
Look ! Here !
A can coffee and few crackers ...
Are you really a student ?
Oh ! are you sure ?
Why don't you eat it ?
Here.

Um ...
Thanks.
You let me wear your jacket.
Come on. Take it
Here, coffee.
Oh, thank you
Ok.
It's not bad at all Especially at a time like this.
I have been wondering ...
What happened with this ?
What ? A picture ? I can't see well.
What I have is ...
This and that ...
Ah.
Why do you have a lighter ?

You are wearing our school uniform in this picture. Funny, huh ?
Why do you even have this ?!
Are you into this kind of stuff ?
Well, that's...
Are you joking ?! I look nothing at all like Rouji !!!
Does he look like you ?
How about you ?
I see
My sister ... She forced me to wear it ... Her friend... goes to your school ..
You have a sister ?! Does she look like you ?!
She looks nothing like me.
Hm?
Any siblings?
A bro who's a year older

Eh... you think about that kind of stuff ?
But before turning pro..., I have to think about how much money I could make ...
Well... I did get few calls
I thought you were going to a high school known for basketball
Father tells us to go to the same high school, but no way !
He's angered ...
Girls...
Yes, I am serious, but that Rouji is trying to get me into his school so that I can join his baseball team.
He claims that all basketball players are the same.
Well I won't deny that.
He says that basketball players do the game to get girls.
Amazing... he's very sharp. I see now that he is called "The attacking" for a reason. I didn't think anyone has found out about Hinaki.
Does that mean ...
Bann! wrote it
On your desk, "pervert" was written on it.
Hey !
W, what ?
This is Takaoka Torao here !
Maybe he figured it out ?!
Huh ?

You wanna have sex with a girl ?
What's wrong ?
I think I understood you for a moment and you lost me.
Let me see...
Since 3rd grade in elementary school.
He may be called "King"
Anyway, how long have you known Hanashimada ?
But he is just like me, an average middle schooler ..
He was physically weak back then.
He even had asthma.
Hey, Taira ?
Our home teacher was good with basketball.
That'd be him.
Even back then, he was good with words.
So, all boys played it in the class.

Damn it, I recalled the dream!
How can he sleep so well in this situation.
He is asleep
My eyes..., they are hurting...
But, if there was a mistake in reality, and this guy just so happens to be a girl...
Please trust me!
But this?
Dear Lord! I could not help myself!

Ahah, I have no place to touch!
I have once touched his chest.
Where am I supposed to touch him?!
I'm not touching below.
Hmph, don't be foolish
No matter what, he is nothing like girls I like.
もっとは好きなはないッ
Yes! Yes!
It's a guy! Just get it over with!
Here I go, Tairaaaaa!

Fool ...
How can you even sleep now ...
I will finish it while you are asleep
Fine, sleep sleep.
The only part I like is the face !
I care for nothing else !

What ?
Uh ?
This situation ...
This ...

苦しい！
Hold on!
ろッッ
If he wakes up now, no excuse will work!
のっ
And Banri will forever abuse me.
Rouji will laugh at me for like forever, not to mention Hanashimada also.
I have to hold on even if my shoulders and muscles cry!
I am NOT joking here!
Why do you think I've been training my muscles with basketball?
Ah
Taira. Turn around. Turn, pretty please.

OH !!
Ah, Taira, you see, there is a reason for this...
Get off me, Banri ! You are too heavy
うぉぉぉぉぉぉ
Why Banri?
Banri?
Banri?
I am glad that it worked out somehow but...
I am not. I AM NOT !
Eh ?
Hanashimada ...
Dear lord, I may be a beast to girls but...
Arisa, Ryoko, Tayemi, help me...
He is a gay?
What about you?

Ah Nashina... you've become even foster ?
Eeek ! I think teacher caught me. What? Kiyoko sensei ?
Is he called
Mishima ? Baba ? Kusuda ?
Your hair style is all funny ! can't tell who is who...
Sakashimada you are really nosy.
Him, he seems
Not bad, I guess. His friends must be pretty happy with him.
Eh? Niitaka ?
Kimura is such a fool ...
Yamamoto likes Sakura
Sasa gawa
Eto... Suda.
Inoue .. Nomura ..
Sagami is Rambo...
Ah
Takaoka Toroo...
Takaoka
Takaokaro...

So, for the following reason, I am going to study really hard and be successful in the future. Please do not punish me only because my youth forced me to do this. Please do not cast a shadow on my future, pretty pretty please please.
Damn it... He is so cute...
But it will only last briefly
I will finish it quickly enough

Takaoka ...
let's play
basketball ...

I like his face.
But I do not need his body.
I do think he is a nice dude... A friendship with such a guy would be... nice.
Let's play basketball?
Mmm.
mm
Is it the face.
Mm -
Or friendship?
I like his face, but not his body.
I am being tested!

Hey ... you are finally awake ...
What's wrong with you?
To Takaoka ?
You look like a dying man.
Heh the night was ... wonderful in many dreadful ways.
What?
I do think you are Hanashimada's friend sometimes.
Sorry I fell asleep with your jacket on. It must have been cold for you

I think I saw something moving from this side of wall when you opened it.
I was thinking about this
I didn't even have time to feel cold.
That means there is something here that is connected to the outside lock.
I couldn't see it well yesterday since it got too dark though.
Hahah... It's warm.
When I was thinking about useless stuff...
Ah, here it is.
We may be able to get out Takaoka
He didn't seem to be concerned at all...

Thanks.

Banri !
Hey even if you shout like that ..

Oh, there you are. I heard you shouting
ガチャ
Hello ~
Did you sleep well ?
I am here !
Ehhhh ~ You've arrived quicker than I thought
I was going to shout for 3 hours at least
What ? How did you guys know ?
おータオや元気かー?
ひだかくん?

I had a feeling that he'd be here
Hmm. I figured that he'd know I was here
They are always like that
What ?
Aren't those two a little weird ?
And we four have been friends since middle school
You two have known each other since elementary school
I honestly don't care. I just did not want to be involved in a love fight.
Ohh you've finally understood me.
Ah, Tokaeko said he wanted a game
Real friends, huh ..
Isn't that right Tokaeko
Yeah, I guess
Come on. Let it go.
Love fight ?!

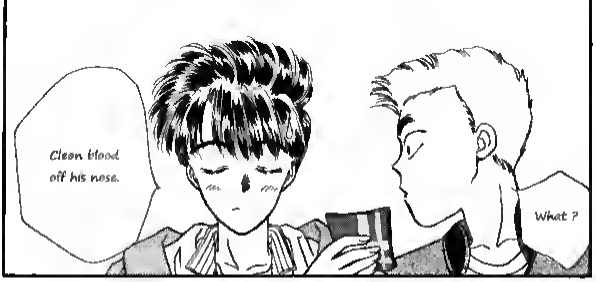
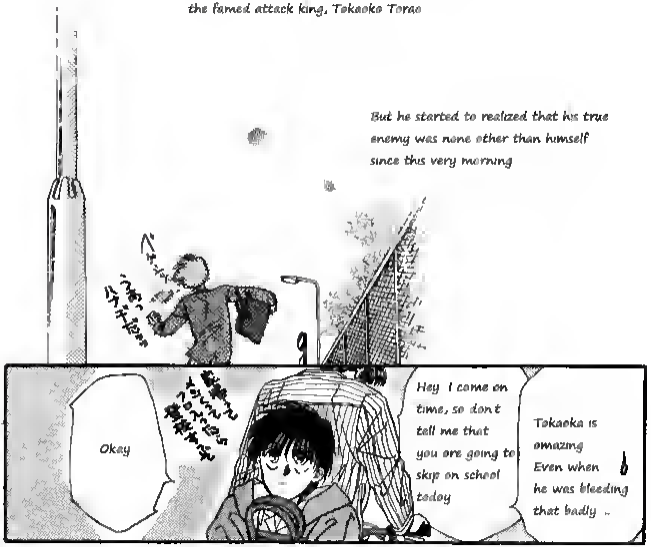
I am Takaoka Torao of Tsubame middle school ! I am not going to fall !
Look ! Even the rising sun is cheering me for my victory !
I may not need to play a match after all
I am victorious !
Bye ! I've won against my life !
Indirect kiss.

We searched the whole school.
Banri forced me wake up as soon as the sun rose, so I had to come.
Hanashimode, you woke up early
Bow to me now
What ?
Taira?
We are enemies still We have to fight to see who stands still in the end.
Two weeks later wait for me here.
I will defeat you for certain.
Takaoka, wait ...
Hanashimode



As far as basketball was concerned
no one could defeat Tsubome middle school and
the famed attack king, Takaoka Torao

But he started to realized that his true
enemy was none other than himself
since this very morning



Okay
Hey I come on time, so don't tell me that you are going to skip on school today
Takaoka is amazing Even when he was bleeding that badly ..

Chief... the core members are not yet here
Our dreadful opponent is the infamous attack king Takaoka Tarao !
Only two of you can play on the field !
There is only one week until the game ! Freshmen ! Don't slack !
The glorious field !
Where are they ?!

Fools, listen to me.
How many combo plays do you have ?
I personally recommend a plan to cripple Takaoka with a foul attack.
We will lose one player
So -
I believe that a special plan is needed to defeat Tsubame middle school
None at all
Combo plays ?
What kind of weakness do you think Tsubame team has Banri ?
Let me change my question then.
So, they were simply fooling around, and everyone thought it was some sort of complex combo play.
What were those weird tactics you showed last time ?
What ?
It's amazingly fun to make a fun of a guy rightfully
It was for ad lib...

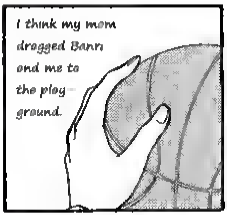
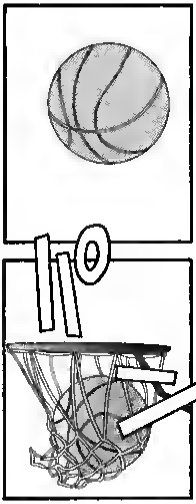
Oh ! Alright !
Chief we are about to start shooting
So my behaviors have inspired you.
You are a fool
Your method will be too straightforward
I am always straightforward. And I have tried to break his guard, and I failed



I think my mom dragged Banri and me to the playground.

It was 5th grade in elementary school when we started playing basketball for the first time.



Other kids were in 6th grade, so we were the shortest
Still...we were all short.
3 shots?
3 shots?

OXOII

I realized that everyone else was much taller

After a year later,

We didn't know rules fully but just chasing the ball was fun so we played it everyday until it became dark

And we simply enjoyed playing the game.

When I looked next, I could only see Banri's collar

The others being taller than me was fine They were older than me.

Both knees this time

Again ?

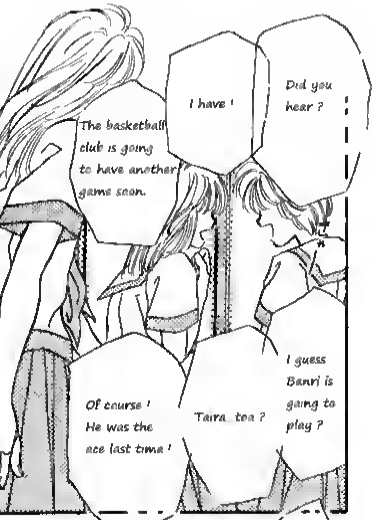
Too late !
My knees have healed!
I remember you crawling around in your home last year !
Bam !
Those who are tall would never know this pain
Good for you actually It'd be bad if only one of your legs would grow
Darn it.
If I knew what he was going through at that time.
I would have made fun of him
it has gotten longer, hasn't it ?
Did it get longer ?

Teach, I don't wanna play anymore!
I won't come here anymore!
I will quit also.
He should have continued playing basketball without me...

I was thinking that you are a fool
He's a fool ...
What ?
If you continued playing basketball, even Takaoka would be no match for you
What ?
What about you ?

What about you, Taira ? Don't you think that you would have gotten much better if you hadn't quit ?

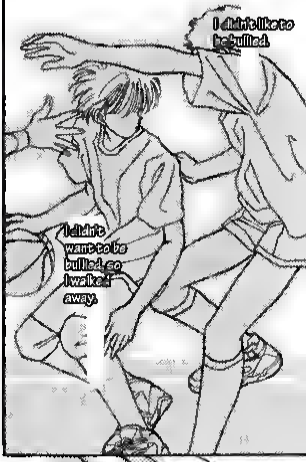
If you two could do stranger I will do anything !
Stop slacking !
If my arms were 5cm longer
If I were taller by 10 cm.
First of all, I will take your eyebrows.
Especially, for you, Senri. Anything !
I've never thought about that ...
2年ツ



Did you hear ?
I have !
The basketball club is going to have another game soon.
I guess Banri is going to play ?
Taira... too ?
Of course ! He was the ace last time !

Those two have to play !

Did you hear that ?
I did...



I didn't like to be bullied.
I didn't want to be bullied, so I walked away.

I've never thought about resisting and keeping going on...

10 am on Sunday ..
Yes ...
At the bus stop by 8 ...
Hinaki ~ !
What's up ?
It's done ! 3 additional members joined !
Kkyo ~
Why ?
Ki-chan ?
It's done !
The club can live on !
It's all because of you !
That's ...
Ki-chan

I want you to wear leotard properly next time.
At this rate, the club might just become offical
Bye now
Himoki you haven't been ploying the piono lately... have you
I didn't do any thing...
It's alright Kudo seems very happy now
Or do you go home first before you take lessons ?
Maketo, I can finally touch my feet without bending my chest.
I could not do this at all before.

I would have never thought about being able to do this.
I feel like I've become healthier
So, are you going to quit the piano lessons ?
I am thinking about that
Hinaki
Yeah?
Your abdomen... You need to go on a diet
きゃあああぁぁ

I can't do this anymore
だー
Give me a break !
But after all that training~
ふわ
You want me to study even ?
But you haven't finished anything
Everyone has to do this.
And the game is tomorrow
About Hanashimada~, which high school is he going to apply?
You know what rumors about us are pretty neat as well
Takeaka talked about high school and his future as well
You mean
You said he was strong against tickling on ribs.
Ah Taira.

Well ..., I wonder what you two did in an ... isolated dark room for a night ...
Bunri ...
Are you trying to kill me ?
Something like this, right ?
What ... ?
We talked and ... I fell asleep. I think he was up all night in case anyone was near.
It was pretty cold but he gave me his jacket as well.
He's a good guy
You think so ?
Woah, that's noble of him
Hey ?
What's that wicked smile for ?!
Come on, let's study
Tell me !

We overslept !
YOU ARE LATE !!!
Takeoka and others are already here !
Oops, sorry !
Equipments ?
Aren't you nervous at all ?!
We moved what we need to the temporary club room.
You two are the only "things" we are missing!
Sorry about that.

あ あ あ

I don't get you two really
Well tha more there are, the merrier
Good, you are my man.

What is this ? Are they all my fans ?
I don't know But there are a lot more.
A lot more than before. don't you think ?

You are late, Taira and Bann !

We were waiting for years.
紫堂 野蛮

Don't bother, arguing them.
Anyway, has your quean "Makoto" come here ?
Of course ~, he waited for 30 minutes just to make the game !
Didn't you !
I am sorry, Takaoka. I overslept.
Huh ? Ah .., it's perfectly fine, Taira. It was only 20 minutes.
My Makoto, my - !
So, you finally realize - !
Well, the last game wasn't good at all, you know
Captain seems worked out, doesn't he ?
But he has known Hanashima since elementary school.
Probably making out rules negotiation.
She's over there!
What are they talking about I wonder ?

I was simply waiting until I grew taller.

Honashimada... tell me everything about your childhood with him !
Your fist love was
A older girl nomed Kyoko who was your neighbor
Even though she was only two years older than you, you believed that she was the singer Kyoko

On the first day in your elementary school, you lifted a girl's skirt and the girl pulled down your pants in return.
You went to a public bath with your father when you were five. But you cried so loud that you had to go to bath with your mom - until you turned seven. -
Hanashimada !
You look exactly like your brother, Ryuji, but you always deny that ~
You thought you were a girl until you were five !
Who complained that basketball was too heavy ?
Who cried his eyes out on graduation day ?
I told him to tell dark past — that's bright past
12:09

You are just ...
Face me, Sanri!
I will not fall for your dirty tricks!
Already a fall few times.
He fell for his own trap ...
Huh ?
He's back already
Hey Hanashimada hey!

What did you do to Taira on that night ?
Ball
It's alright. Calm down.
There's no way that I cannt would know what happened.
Taira was sleeping, so he wouldn't know, either...
Did you kiss him ?

Yes, basketball isn't played by mere one person
So -
Tokaoka... leave the small one to us.

I told you I am not alright
Hey
Are you alright ?
Move him to your bench and treat him.
I thought his head was hurt.
Didn't you see him holding his leg ?

You always do the stupidest thing ! Go waste your time on the bench !
Shut up ! You gotta keep the gap in scores I made !
There is no "gap" ! We are losing stupid ! Go get treated !
Whatever ! Fine ! I will go sit on the bench and slack !
Yeah Yeah.
Player change !

Mom's two solutions ...

Isn't that why you told me ?

But I bet that Taira felt sorry for Bonri

No ?

The first one didn't work ...

It's me.

Who's it ?

ピンポ

ピンポ

Worked.

But the other one ...

Hey Taira, what do you want to play next ?

I did not want to think about it, so I've never done anything about it at all.
But I haven't done anything at all really.
But looking how he plays from idle since like now..., it makes me think...
But I never did anything about it...
Has he been playing on a lower level so that I can feel equal?
Has he been waiting for me to catch up?
The gap will only become bigger.
While I do nothing
I won't be able to catch up.
While I do nothing

Further
And further ...
Hey. Yamamoto.
where is Taira ?
His ankle got bad,
so he is on a
bench or
something
So, he is
not coming
back ?
Banri has
to do this
alone ?
I don't think
he can come
back.
He probably
overdid it
while trying
to look cool
That's not cool,

You are still

He does

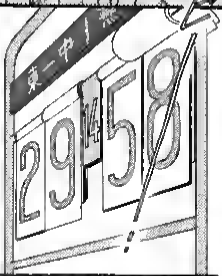
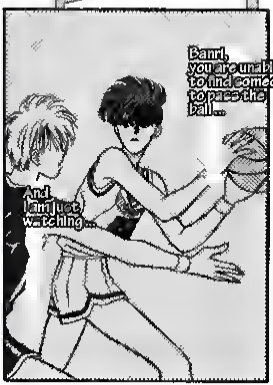
Shit,
he isn't
going easy
on us.
That's why
I keep telling
you. Let's get
rid of him with
a foul attack.

This is the example of such a play
Why would you fall for such a cheap tactic ?!
Why are you getting angry at me ?!
I am going to watch you guys lose.
Go to a hospital and sleep.
What ?!
Win then !
Toira.
It will start to hurt more and more. You are not feeling much pain because you are occupied.
I am fine ! Think about winning !
What to do ?
What to do?
Captain—, they seem to be taking this really easy
Nevermind them.

The backup plan.
Alright, let's do this
"Sweat of Youth"
※Sweat of Youth: Just run forth and score if possible. In other words, it isn't even a plan.
あらら
They are really funny
And hopeless
Yes, that's fine.
That is why he calls so.
To calm down the team.
And to make me worry less.
11

Banri can jump higher...
Oota, no.
If you don't pace soon, you will lose your ball to Takaoka.
Hanachi can go further. All just your pace...





I am just waiting for... what?

Yes ?
Sure.
But what for ?
Isn't that obvious ?
I am going in.
Senpai, what are you saying ?!
I am fine. Call time and bring Hanashimada here !
Do you even know how to bandage ?
There is 11 or 12 minutes left ! I will manage
Senpai

Look.
What are you talking about ?
Hey Hanashimada I will play for the last 10 minutes.
But captain, this is big
What the hell is it Tanabe ?!
Here.
It's fine I bandaged it.
Who said I'd play basketball in the future ?
I don't know what the future holds for me.
And I don't care.
Yes, Taira ! If you overde it, you may ruin your future life as a basketball player !
We are doing this for fun. Get your priorities straight
No.

If you keep going on like this, you won't be able to walk for a while
You have to keep that in mind
I know you know
I know
No one said you had to play
But I won't get anything done if I just watch.
Here.
How is it ?
It's fine

Taira we won't go easy on you.
You are out if we find that you are hurting.
Of course.
I am not an idiot

Fool ~, you are doing this again? You haven't fully recovered yet.
We may be pushing ourselves not to do it unconsciously so that we don't hurt emotionally fragile Taira.
You've done it !
Disabled Taira can do it but why can't we ?
Sorry that baka trio kept provoking me—

Besides, we've recently gotten new uniform. We are not going to run it now
Obviously, if Taira can do it, there is no reason that we cannot.
Ohoh, yes yes indeed. That sounds very likely
???
My uniform is fine.
Why did you get such a big one ?
Of course, it is fine for a midget like you.
That's because you are still too small for it !
Shrink it.
It is not big !

Yes... , exchanging gender roles for the play we are gonna do at the festival !
Planning? Dreadful ?
Sure sure you keep telling yourself that.
Anyway, Yamamoto and Sakurai were planning something dreadful
So, it's been decided that we do a play ?
So, Taira is gonna be the main actress
Why ... Not again
I am not sure ... I guess it is pretty much up to Sakurai now
What ? I thought we agreed on telling tales.
No restaurant is better
Singing will be better
What ?
By only making Taira take a female role in the play
The main issue will be ... if Sakurai will be satisfied
I am a sacrifice ?

Sakura
For following reasons, we (I) have decided that all male students will crossdress !
I object !
NO !
Objection !
We object !
For those who do not wish to do that, you will be required to wear white stocking and a mini skirt !

Prince : Makoto
Princess' boyfriend : Hinaki
Sakurai !
Why not S.F play ?!
Exchaning tales !
I propose singing !
Why are we gonna do such a play ?!
Restaurant ! We can make money that way !

Why are you trying so hard to make this club official ? As seniors... we can't even participate in any event.
True but it is not always about that

During my middle school years I had done nothing so far if anyone asks me what I did in middle school in the future –
All I would be able to do is smile.
so I started this club to leave something behind
Kido, I think I understand what you are saying.

I just want to do something so that I can tell others that I had done something in my middle school days...
But... what about...

Your ankle is still bandaged.

Yes I will compare it with playig the piano and choose what I like more
That's why you chose gymnastic?
I honestly don't know if I like playing it since I started when mom asked me to
I don't think I can improve further, either
Besides, I sometimes went there only not to get scolded.
So, I figured I'd try comparing it with something else to see.
I guess it was wrong on my part that any sports would do
But I think it's all wrong Makoto you began kendo because you like it from the beginning but in my case, I began it just to see if I like it
If I do two things at once, I will fail at both.
But I am not good enough to do two things at once
Then can you stop liking Taira ?
Hunaki did it
Well, I would not care about it much
Just try out various things and choose wha you like
We are still too young to decide our path
Why are you talking about me ?
Because you are my ideal person ..
Well..

... no, Makoto could because she is ... real
Makoto can I go to your side ?
Yeah ?
You can't just stop liking someone
What ?
See ? You can't
The husband's sister was trying to kill her father's girlfriend by a bomb she made When she got there the girl was already strangled to death.

Makoto the killer is ...
Don't !

Hinaki
Since when did you like ?
Why do you like ?
Taira.
Makoto
Ohhh you are blushing again.
You see... I thought that anyone weaker than me is a no-no
Taira is small and I thought he was weak. so he wasn't in my vision.
But it turns out, he is stronger than me !
I thought that he was amazing when I was watching him play basket-ball

To like someone is hard.
Because you can't really tell how much you like someone.
You can't measure it mathematically either.
How about you ?
Heheh ~
The more you think about it, the more you will be confused.
What do I really like ?
Dignified look
Firm stare
Pure mind

How about...

Makoto is beautiful!
Makoto is real.

I keep comparing with Makoto ..
I shouldn't though.
Because Makoto is real and I am a fake
Sorry Hinaki for dragging you to my morning practice.
No, I like fresh morning air
That was straight-forward.
Keep it like that. Liking someone is as simple as keeping it simple
I want to be like her
I envy her

But Makoto, I want to be real, too
